CALL FOR PROJECT UEEH 2017

Hello there ! We're here to invite you to take part in the UEEH 2017 !
During two weeks we get to know each other in the south of France through various workshops, discussions, collective moments and parties!

We invite you, alone or as a group, to come and offer something, open to the categories of people of your choice! For example, last year there were trans-only cocktails, there were many body and sound explorations (dance, music, etc), but also screenings, debates, and experience sharing...

UEEH means Euromediterranean Summer Universities of Homosexualities, it sounds serious because it was invented in 1979 in the context of the time, but its changed lots since! For some years now, we've been talking about the feminist and self-run meetings for and by Intersex, Lesbian, Bisexual, Gay, Trans, Asexual, and Queer people.

Self-run? It means that everyone gets involved in the content of the event, in the organization, and in the practical tasks on site.

We come from many different places and countries! Since last year the # Bla # collective joined us in the adventure : they provide their equipment and train participants in simultaneous interpretation.

This allows us to have live translations into several languages (castilian, arabic, english and french in 2016).

Some French Sign Language interpreters are here too! The project is growing...!

This year the event will take place between the 20th of July and August the 2nd. It will be located in «Vic en Bigorre» : in the Upper Pyrenees, two hours south from Toulouse!

The Jean Monnet agricultural secondary school provides vast accommodation, workshops rooms, a collective kitchen, a great outdoor space, etc... and everything only open to those of our choice!

The UEEH are what we make of them!
So we're waiting for you and your desires!
